December 2011

TO: Persons Requiring Private Pesticide Applicator Certification or Recertification

FROM: Dean Volenberg, Agriculture Agent  
Door County UW-Extension

RE: Scheduled Training

This letter is to let you know how private pesticide applicator training will be handled this year. You have the choice of either attending a classroom training, or self-study and individual testing, for your certification or re-certification. The classroom session will be held:

**Tuesday, February 7<sup>th</sup>**  
**Peninsula Room -- 1st Floor - County Government Center**  
**421 Nebraska St.**  
**9:00 a.m. - 3:30 p.m.**

This session covers the basic material and concludes with an open book evaluation (you must achieve a minimum of 50% correct answers in order to pass). If you plan to attend the classroom session, you need to buy the manual at the UW-Extension Office **at least one week prior to the class – the class is NOT a substitute for reading the manual!** Lunch (sub sandwiches) will be brought in. The cost of the manual is \$30.00 and \$5.00 for the lunch – total \$35 payable to the UW-Extension Office (cash or check only – no credit cards). You may bring your own sack lunch, but no one will be allowed to leave to have lunch off the premises. If you have already purchased your manual, you will be contacted regarding lunch prior to the class.

If this session doesn't fit your schedule, please contact our office so we can help you find a session in a neighboring county to attend. **Note: Kewaunee County's training will be Wednesday, February 15<sup>th</sup> – contact Kewaunee County Office at 920-388-7141.**

Should you prefer to take the exam without attending the classroom session, you still need to buy your manual (\$30.00) at least one week in advance and set up a time to take the exam in our office. This exam is also open book, but requires a higher score (70% correct) for passing.
