Another year is over and I do not know how all of you fared, but I know mine has been a roller coaster of a ride yet again. I have been blessed constantly with strength and guidance from our Lord. Of course me being me, I don’t always listen to the advice I seek and ask for.

My wish for all of us in HCE is for a healthy and prosperous year. To help those in need, and to give support as needed.

Now I first started writing this letter during the regular Packer season and we have won two games since. So, the Packer Nation got it LOUD and we are on the way to Seattle, where we (more like the Packers) will win a hard fought game. Well, we have since lost in Seattle and I think I stopped breathing for a minute. After the high adrenaline rush of 3 hours, and then the great bubble bust, my brain could not comprehend we lost. NEXT YEAR.

P.S. The freighters have started to come into Sturgeon Bay and I caught quite a few down here on Utopia Cr. I hear the tug boats coming to break ice and one morning at 4:20 a tug went out to the lake and it came back 30 minutes later. Then the lights from the freighter woke me again as it went by. WOW, those 1,000 footers are impressive. I missed the one opportunity to go ice boating this year; and it is exciting, but I am not really into lying in an open coffin, driving the boat with the tiller between my knees to steer and hold the sail with both hands. The head feels like a bobble head that one gets at games. When I asked how to stop and was told to turn into a circle so you can come into the wind. This is easier said than done as the first time I ever went ice boating my speed was 35 mph. I had on a football helmet because I was afraid I would hit my head on the ice. The wind, along with the sail was lifting one blade off the Ice as I am cruising at high speeds, (never like this on a sail boat where 10 mph is fast). Wish I had started this activity when I was much younger and much more limber. Running alongside of the boat; over ice and snow with one hand on the tiller with the sheet line in hand, one on rail and trying to jump into a moving boat that is now picking up speed. And…. Get my body into that said moving object, lie down, feet out, tiller between legs, adjust the sail and raise head above the rail to see where I am going. Oh there is a time limit to this also. SECONDS. Bruising!!!

‘DIAMOND’ MEMBERS

In celebration of WAHCE’s 75th Anniversary and the women who have made HCE what it is today, the WAHCE membership committee would like to recognize all members with 55 or more years of service to HCE. These members will be recognized at the 2015 State Conference in Stevens Point. Each ‘diamond’ member will have their information on display. To prepare your display for your member, take a 5x7 photo of the member (head shot), mounted on an 11x13 piece of blue tag board. Under the picture, write a short biography -- 1) member’s name, 2) number of years in HCE (i.e. 69 years), 3) span of years (i.e. 1946-2015), 4) member’s county, club, offices held, 5) favorite activities and/or memories of the member. A signed photo release must be taped to the back of each display (available at www.wahceinc.org). Display board(s) will be turned in at the State Conference registration table.

Door County HCE would also like to recognize 55+ year members at this year’s Spring Recognition Banquet on May 14 at The Mill Supper Club. **EAST MAPLEWOOD**

~Joyce Englebert, Secretary

2014. December 3. Our December meeting began at 5:30 p.m. with a Christmas Social and Dinner at Richard’s Pub & Grill, Maplewood WI. Spouses’ were invited as well as four guests. President Ingrid Donley opened the meeting with a welcome and prayer. Dinner orders were taken and visiting occurred. The tables were beautifully decorated with folded Christmas napkins and a really neat ribbon and stick ornament favor – very creative! Thank you Joanne and Ingrid. Our entertainment consisted of several songs played on the clarinet by Brianna Bongle (granddaughter of Joanne). Brianna’s mother, Jessica, was her driver and assistant. After the dinner, an inventive card game with wrapped prizes was played; most fun was the “take away” portion of the game! Many of the prizes were consumable in nature and very interesting i.e. cheese head Kleenex, body lotions, aluminum foil, home-made jam etc. The 2015 Meeting Booklet was given to members noting that January is our “Snow Month-no meeting”. The first 2015 meeting will be a joint Valentine get together with our sister club, The Maplewood Community Club. A jolly good time was had by all and ended with “Merry Christmas and a Happy New Year!”

**SISTER BAY SEW & SEWS**

~Darlene Kolp, Recording Secretary

2015. January 13, Pat Danielson’s. President, Barbara Jarvis opened the meeting by reciting the Creed. Roll call was taken by stating what we liked about winter. There was consensus that everyone liked something about this season. Barbara advised that she thought our Christmas Party held at the Meadows of Scandia for some of the residents was a success. Barbara asked if anyone had a child or grandchild in the county who would be attending college in the Fall and would be eligible for a scholarship. There was none this year, but Faye Sitte said her granddaughter might be interested next year. Barbara advised that for our February gathering we usually have a little Valentine Party for the residents of Woodview at Scandia. She called to learn if this was acceptable. The answer was affirmative; there will be about 25 residents. This is planned for February 9th at 2:00 p.m. We will need four angel food cakes, and we will also bring topping, a fruit drink, favors and valentines. We discussed attending the ribbon flower making corsage. We will all go except Barbara, who will be in Texas. We plan to go to lunch at the Inn at Cedar Crossing beforehand. We will not have another meeting this month. Our April meeting will be on April 20th at noon at Darlene Kolp’s home. This will be our salad/soup meeting. Our June outing was discussed.
Darlene mentioned going to the Ridges or the Fern Trail at Newport State Park and using the Discovery Pen which tells of the flora and fauna in the park. Linda Anderson presented the program titled “Pointers for People in their Prime,” and gave copies to everyone. We discussed them, along with other hints people shared. The meeting was closed by reciting the HCE prayer. Pat Danielson served cake and snacks.

These minutes were approved at the January 15th meeting of the DAHCE Executive Board.
