GO GREEN -- HELP 4-H RAISE SOME GREEN!

Door County 4-H is a partner with Funding Factory, a company that recycles printer cartridges and cell phones and gives the money back to the 4-H Leaders Board. Don't forget to save your used printer cartridges and bring them into the Extension Office and we'll send them in for recycling! Each cartridge counts and helps us raise funds for all the great 4-H activities for our youth!

REMINDER!! PAY DUES BY APRIL 1 APRIL 1 -- Deadline to make project changes or additions

If you want to add a project, please go back into 4-H online to make the change. You may also call the Extension Office (746-2260) to make the change for you. Remember -- the only projects you are currently enrolled in on April 1st are the ones you will be able to enter projects in at the Door County Fair.
